Miraj.

Dear Friends,  
Greetings from Wanless Hospital, Miraj Medical Centre, Miraj, in the name of our Lord and Saviour Jesus Christ!

As informed you earlier Miraj Medical Centre Society has a plan to establish a medical college. I am happy to inform you that on 28-29th May 2012, with a notice of 24 hours, Medical Council of India inspectors came to MMC and conducted a thorough and detail inspection. The Medical Council of India Inspectors were pleased to see the beautiful Wanless Hospital and its medical facilities and hopefully these inspectors shall give a favourable report (We don't

know details of report till we get copy from Medical Council of India, New Delhi). By the Grace of God, if the MCI inspectors give a favourable report then, Medical Council of India might permit Miraj Medical Centre to admit medical students from August 2012. We praise God and thank Him for this wonderful doing for MMC.

Now the biggest challenge in front of MMC is to show a well established buildings and infrastructure for medical college.

#### **Current Status :**

Miraj Medical Centre is already rendering its healing and hope service for last 118 yrs. having 550 Beds, with all basic specialities and superspeciality services.

Medical Council of India (MCI) has done assessment of the Wanless Hospital on 28, 29 May 2012. They suggested to comply with some of the requirement after which MCI New Delhi God willing grant permission to admit Medical Student.

Please note Miraj Medical Centre has already received Statutory Governing body permissions from

1. Maharashtra University of Health Science, Nashik.
